

PRINCE OF PEACE CATHOLIC SCHOOL

Dear Parents,

It is the season of Alleluia! We celebrate the Resurrection of the Lord! The beauty of the liturgy and the hope-filled message of the season give us joy.

Spring has come and the students are enjoying the warmer weather. There are so many activities both in school and out that we adults have to work together to keep the academic focus that is needed.

Our students will be taking the national Aspire tests next week and I am confident they have been taught the skills they need to be successful on the tests. Encourage them to work hard and use their time wisely as they strive for a personal best.

Keeping your calendars handy will help you keep up with the many wonderful events in May. Monday, May 8 is our Spring Fine Arts program at 7 p.m. I do hope you will come and enjoy the Art and music. We are expecting Dr. Rigg, the Superintendent of Catholic Schools, to come in the afternoon and see a preview of this great program.

Thank you for your support of the Fitness Games. I am sure everyone will have a fun day and it helps the school fundraising as well. My thanks to the staff and parents who have worked so hard to prepare a wonderful day of fun!

Sacramentally our second graders are anticipating their important day on May 13. The beauty of Catholic education is that we can celebrate sacraments as a community. Our school Mass on Monday, May 15 will begin with our May Crowning and will be an opportunity for the second graders to share in the Eucharist as part of the school community for the first time. They will be decked out in their communion finery so if you want to see our May Crowning please come.

Enjoy this weather and time together as a family. During the month of May we honor Mary and all our Mothers. May God bless all of them and all those wonderful people in our lives who serve as mother figures.

Blessings, Mrs. Bonnie Brown
