

PRINCE OF PEACE CATHOLIC SCHOOL

June 1, 2017

Dear Parents,

Summer vacation is finally here! Your children are anticipating their freedom and fun. Continue to love them and guide them on their journey of life. You have given them a wonderful Catholic education and the values for their lifetime. Teach them the importance of their faith by including Mass every weekend in your busy schedules. God is always there for us. Make time for Him as well.

This summer brings a change for my life. I want to thank each of you and all of you for the support you have given me over the years. It has been an honor to be Principal at Prince of Peace. This school stands as a shining example of Catholic education not only in the Archdiocese but as a National Blue Ribbon School. Parental involvement and a dedicated faculty have made my job so much easier.

Thank you for all your good wishes and generous gifts. I am over whelmed by your thoughtfulness and kindness. These eight years will always hold a very special place in my heart. Every teacher/principal has stories. I have so many happy stories from my years here. It would make a great book.

You are blessed with a tremendous pastor who cares deeply about his parish school. Thank you, Father Gerald for all your support for the children an staff.

Father Adam, thank you for coming to visit classes and talking with the students. Not every parish is blessed with priests who care so much.

Deacon Jim has shared so many wonderful retreats and homilies with us .Your patience and smile always bring out the best in everyone.

Many thanks to Barb Ruhl who made the PLC possible and we owe her a huge debt of gratitude. The facilities we have at Prince of Peace are a jewel in Lake County.

Every faculty and staff member has given such loving dedication to their students. I am grateful to have had such wonderful colleagues and friends. Your children are in good hands with these professionals.

May God bless you and keep you close to Him. You may see me around from time to time but you will always be in my prayers to the Provident God.

Lovingly,

Mrs. Bonnie Brown

Principal
