Please label school supplies and replace as needed throughout the year.

2

Dear Parents,

As the teachers continue to meet and plan for next year, we would like to share some news with you.

In the interest of safety for everyone, we are prohibiting rolling backpacks for all students in preschool through grade 4. They have become hazards to safety in the school and in the classroom. Students in these grades only have 1 or 2 small textbooks to carry so they will not be overburdened. Please remember that no toys or personal items are permitted. We are trying to help the students focus on education.

Students in grades 5-8 may have rolling backpacks but regular backpacks are preferred. Rolling packs do not fit in the lockers and are difficult to store in the classroom. Also all personal items need to fit into the lockers. This limits the decorating of the inside of the lockers. All coats, books and other personal items should be in the desks or the lockers. There is adequate room.

Fidgets are the latest distraction in class. They are not permitted unless there is a professional recommendation for them. Please help us continue an academic atmosphere.

Lastly, please label your children's clothes, especially uniform fleece and jackets. It is very discouraging to see several of them in lost and found and we have no way of identifying the owner. I am sure you are discouraged to have to purchase another one as well.

We realize that school closed last week. We know that shopping for school things occur all summer so we want you to have these heads up. Thank you for your cooperation.

3

KINDERGARTEN

Please label each item (i.e., each marker, pencil, etc.) with your child's name.

- 2- #2 pencils, sharpened
- 1 large pink eraser
- 2 large glue sticks
