Vacation Absences

Family vacations should be planned to coincide with the school holiday periods. A child needs the continuity of the learning experiences provided through teacher presentations and student interaction. Missing consecutive classes due to vacations may have an adverse effect on report card grades. The school office is to be notified in writing of family vacations taken during the time school is in session. ***Students are expected to compete all missing assignments in addition to current assignments.*** In order to receive credit, missed tests must be taken within the time given by the individual teacher. Contact individual teachers regarding homework. (Prince of Peace Family Handbook)

Parents need to do what is best for their families and assume responsibility for their student's missed work.
